MINUTES OF THE MEETING
HELD ON 3 JUNE 1987

Corrigendum

Paragraph 89 should read as follows:

89. The Chairman recalled that at its meeting held on 23-24 October 1985 the Committee had adopted the Draft Guidelines on Physical Incorporation (SCM/W/74/Rev.1) with the exception of paragraph 4(b) which had been referred to the Group of Experts for further consideration in view of comments made by the delegation of Chile in Document SCM/W/94. The Group had re-examined this paragraph but had not proposed any changes to the existing text. The Chairman proposed to hold informal consultations on this matter. It was so agreed.
