Committee on Government Procurement

Original: English

### COMMUNICATION FROM THE UNITED STATES' DELEGATION

The following communication, dated 29 August 1991, has been received from the Delegation of the United States.

---

My authorities have directed me to request a meeting of the Committee on Government Procurement, pursuant to Article VII:7 of the Agreement, concerning procedures used by the Government of Norway to procure an electronic toll collection system for Trondheim. You will recall that at the June 20 meeting of the Committee on Government Procurement, my government requested the establishment of a panel to examine this issue. At that time, the Norwegian representative said that he was not in a position to agree to this request. Regrettably, in the intervening period there has been no progress towards a mutually satisfactory solution. We would propose that the Committee meet on or about September 20.
