REPORT OF THE PANEL

Corrigendum

Document ADP/136, dated 28 April 1995, should be modified as follows.

Paragraph 6 should read as follows:

"On 11 April 1995 the Report of the Panel was submitted to the parties."

Sub-paragraph 456 (a) should read as follows:

"(a) the EC had not acted inconsistently with Article 2:4 by reason of the fact that it had derived an amount for profit in constructing the normal value for three types of "normal" type cassettes from data relating to all sales of the like product by that exporter in the Japanese market;"
