**Corrigendum**

The following corrections should be made to document SCM/M/67:

**Page 21, paragraph 136:**

The words "due to" should be inserted in the twelfth line between "market" and "decreasing" thus reading "...shifting had occurred in 1992 to the United States market due to decreasing German domestic demand, potential ...".

**Page 23, paragraph 146:**

The word "that" should appear in the second line between "clarified" and "the" and "was" should replace "were" after "disagreement", thus reading: "... the situation, and had also clarified that the disagreement was even stronger than expected.".
