REQUEST FOR CONSULTATIONS UNDER ARTICLE 15:2  
OF THE AGREEMENT

Communication from Brazil

Reproduced herewith is the text of a request by Brazil for consultations under Article 15:2 of the Agreement with Mexico.

---

In connection with the Anti-Dumping Investigation initiated by the Secretariat of Trade and Industrial Development (SECOFI) against imports from Brazil of fabrics cotton and cotton blends with man-made fibres, and in accordance with the provisions of Article 15 of the GATT Anti-Dumping Code, I should like to request meetings so as to conduct consultations, to be attended by SECOFI itself and representatives from the Brazilian textile industry ("Camara Nacional de Industria Textil" and "Associacao Brasileira da Industria Textil").

I should greatly appreciate it if a date for these meetings could be set for, if possible, the last week in the coming August.
