In the statement of Mr. Lerena, replace the first sentence by the following:

"Mr. LERENA (Argentina) said that his delegation had not been a member of the Working Party but had followed some of its meetings with considerable interest since his country had a small automobile industry which in its short span of life had achieved enough efficiency in the construction of some models to face operations of the kind contemplated in the Agreement between the United States and Canada".

At the end of the page add the following paragraph:

"The report of the Working Party in document L/2409 was adopted".
